

**POSTPONED CALLING ATTENTION TABLED BY SHRI NILESH CABRAL, MLA**

**ADMITTED FOR ANSWERING ON 09/02/2024**

**“Fear and anxiety in the minds of the people of Goa and especially the patients and their relatives, about the non-availability of required implants in cases of accidents and broken bones, at the Goa Medical and hospital, thereby forcing them to buy implants from the open market at exorbitant rates, thus furthering their trauma. The action the Government will take to make these implants available to the patients free of cost”.**

Statement to be made by Shri Vishwajit Rane, Hon. Minister for Health.

Sir,

Many of the needed implants are not available in the implant store at Goa Medical College & Hospital and are procured through Local Purchase by the State Government and only those implants which are not available with Local purchases are being purchased by the patients for their cases.
